25 I have discussed this case with the D.S.

F.D. may be informed that the ground rent is based on the potentiality of the area for growing commercial or other species. The area now asked for is near Dandoli which is part of a teak growing area. For the West Coast Paper Mills Ltd Dandoli we are charging a rent of Rs 80 p. a. per acre. The rent now recommended by the cc f works out to Rs 240 per acre per annum and should be acceptable to the F.D.

27 W.C.P. Mills are paying a lease rent of Rs 80/- an acre. but land remains forest land. In this case, the land will have to be disforested and alienated for a NA purpose. Hence the proposed rent is reasonable.

Sir,

Sub:-Request of M/s Sri Ram Mining Co. for grant of
2 guntas from F.S.No.1 of Virnoli Range for
construction of an explosive magazine.

I enclose a copy of letter No.MMS/3882/61 /60-61 dated
27-1-1961 from the Conservator of Forests, Belgaum Circle,
along with its enclosures on the above subject for perusal.

It is reported that there is no other suitable area
for the purpose and the site selected is best suited
for the purpose. It is further reported that there is no
tree growth in the area. In the circumstances there is no
objection to lease out 2 guntas of land for construction
of an explosive magazine subject to the recovery of rent
at Rs.0.50 nP per month per gunta or part thereof, for
a period of 5 years in the first instance.

Orders of Government may be issued early for taking
further action.

Virnoli

Sub:-Request of ~~M/s~~ Sri Ram Mining Co., for grant of 2 guntas from F.S.No.1 of ~~Virnoli~~ Range for construction of an explosive magazine.

M/s Sri Ram Mining Company (Supa) have applied for grant of 2 guntas of area from F.S.No.31 of Virnoli village; for the purpose of a magazine for storing explosives, required for loosening and excavating work at the mines. It is reported that the Company has no suitable plot in the mining area and the site selected is suitable for the purpose, since it is close to its office. The Chief Inspector of Explosive in India, Nagpur has given his permission for the construction of a magazine and the District Magistrate has also granted a "No objection Certificate" in respect of the site for the magazine.

2. The Divisional Forest Officer, Kanara Northern Division has reported that the area does not contain any tree growth and he has no objection to give the area of 2 guntas on temporary lease charging rent at Rs.0.50 nP per month per gunta or part thereof.

3. I recommend that the area of 2 guntas be granted to the Company for the purpose applied for on temporary lease, charging ground rent at Rs.0.50 nP per month per gunta or part thereof for a period of 5 years in the first instance.

4. The letter from the company dated 17-10-1959 together with a sketch of the area are submitted herewith for issue of early orders as deemed fit.

A | 5. As the issue whether forest lands can be granted by this Department on temporary lease for non-agricultural purposes and who is the competent authority to make such grants is still under correspondence, (vide this office No. FOP/GFL/8383/413 dated 19-12-1960) this case is referred to you.

Reply to No.C/11/1948 dated 12th November 1959 from the Divisional Forest Officer, Kanara Northern Division, Dharwar.

No.23/11117 of 59-60
Belgaum 18th November 1959.

The firm may be asked to produce a copy of the permission obtained from the Chief Inspector of Explosives, New Delhi when further action will be taken in the matter. All the accompaniments are returned herewith.

Sub:-Request of M/s Shriram Mining Co. Supa for grant of 2 guntas of land in F.S.No.31 of Virkhol for construction of explosive magazine.

In this case M/s Shriram Mining Co. Supa have applied for grant of an area of 2 guntas out of F.S.No.31 of Virkhol

P.T.O.

an unorganised forest for construction of explosive magazine as per their application No. MIN/603/3337 of 17-10-1959 which is enclosed herewith. The area is reported to be not having any tree growth and is suitable for the purpose of construction of explosive magazine, it being nearer to the applicant's company's office etc. The applicant Company says in their application that they could not find any suitable place for the purpose in their malki holding and had therefore to apply for grant of the area in question.

2. This is the second instance where requests have been made from Mine owners for grant of Forest land for construction of explosive magazine. In the first instance an area of 2 guntas has already been granted to M/s Vaswani India, Private Ltd., in F.S. No. 87A 1 B of Anmode under your No. 23/62(52-53)13156 of 17-11-1958. This land was granted only after ascertaining from the Company that the Chief Inspector of Explosives New Delhi had granted necessary permission to the Company to erect the explosive magazine.

3. In this case also the applicant company will be asked to obtain and produce the copy of permission obtained from the Chief Inspector of Explosives, New Delhi before communicating them the grant of the area on Hangami Lagan. In the meantime, sanction may kindly be accorded to lease out the above area on R.L. to the Company at the rate of Rs. 0.50 np per gunta or part of a gunta per month or part of month.

Plot of 2 guntas in F.S.No.31 of Virkhol in Supa
Petha on temporary rental basis - request for grant of

A need is now felt of a centrally situated magazine
to hold explosives to feed the smaller magazines on each
of our mines spread over the radius of about seven
miles.

From all angles the most suitable site would be close
to our offices which would ensure proper care, control
and management of disbursements of day to day supplies to
mines.

Therefore we must construct a magazine of a suitable
size and answering to the conditions of distances which
have to be kept from residential quarters according to
requirements of explosive authorities.

We cannot unfortunately select a place within our maliki
plot survey but think the site marked red in the accompanying
sketch will ~~not~~ the case.

We are, therefore, writing this to request you to kindly
favour us with the grant of 2 Guntas land on temporary
rental basis and permit us to construct a magazine on same.

Through the good offices of the State Trading Corporation
of India Private Ltd., we are getting heavy mining machinery
and we are also to supply a certain quantity of maganese.
ore to State Trading Corporation of India Private Ltd.

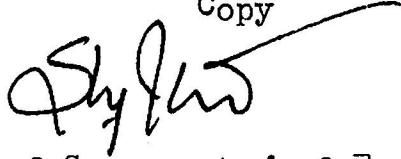

All this entails intensive mining and this requires large
stocks of explosives to be used in ~~lossening~~ and
excavating work at the mines.

In the circumstances we shall feel obliged if you can grant
us the land of two guntas on hangami basis for the con-
struction of magazine. As far as we can see, there is no
tree growth on the site but whatever little odd trees there
may be we are willing to defray costs thereof.

Since our ^{mining} ~~sing~~ gets momentum from November - the next month.
early compliance of the matter will highly obliged.

Thanking you.

To
Shri Prabhu, To
Under Secretary of Agriculture & Forests,
Government of Mysore,
Bangalore,

Dear Sir,

A. G.

Sub: Grant of 0 - 2 of land for Construction of Storage for
Explosives in the Virkhol F.S.No. 31 of Supa Talq. N.K.

We are thankful to you for the interview granted to us on

6-10-1961.

We are glad to have been informed that the correspondence on the subject was sent to the granting authority for final sanction on 3-10-1961.

It may please be noted that it is already 18 months have expired since the application for the grant for the land was first submitted.

The Chief Inspector of Explosives in India, Nagapur, has already given his permission to construct the Magazine. (True Copy enclosed)

As the entire Mining Area held by us under Mining Leases comes under Submersion Project, the Government is very keen on maximum production of Mn. Ore before the area is submerged and the production depends upon the sufficient storage of Explosives kept, in a Magazine specially constructed for the purpose, so also the Magazine required can not be constructed before the land applied for is sanctioned.

It may not be out of the way to say here, that, we have suffered very heavily last year for non-supply of these Explosives, which were not supplied to us for want of the Magazine.

Hence we earnestly request you to please take immediate cognizance of the matter, so that we may undertake construction of the Magazine, which depends upon the immediate sanction of the area applied for.

Thanking you,

Yours faithfully,
for Shri Ram Mining Company,

Partner.

Sub: Proposed Explosives magazine at Virkhol District North Kanara.

Dear Sirs,

Reference correspondence resting with your letter No. MIN/780/2100 dated 3rd May, 1960.

The District Magistrate, Kanara has since granted a Non Objection Certificate, in respect of the site for the above magazine. The construction of the same may now be undertaken you in accordance with the approved site and construction plans observing the distances shown in form 'E', a copy each of which is enclosed herewith.

The construction of the magazine should be completed in all respects and this office intimated without delay.

A licence in form 'L' of the Explosives Rules, 1940 will be granted on receipt of the completion report of the magazine and forwarded to the Inspector of Explosives, South Circle, Madras, for endorsement as required under Rule 87(2) of the Explosives Rules, 1940.

The magazine when completed should not be used for storage of Explosives unless the licence is granted and delivered to you duly endorsed by the Inspector of Explosives, South Circle, Madras under Rule 87(2) of the Explosives Rules, 1940 or written permission under proviso to the said rule to use the same is obtained from the Chief Inspector of Explosives in India, Nagapur.

If for any reason the proposal to construct the above magazine is dropped, this office should be advised accordingly.

Four blue print copies each of the site and construction plans may please also be sent along with the completion report of the magazine.

Yours faithfully,

ORDER.

The Chief Conservator of Forests has reported that an area measuring 2 guntas of land has been selected for the construction of an Explosive Magazine by M/S Sri Ram Mining Co., that it is devoid of free growth ^{as} that the said 2 guntas of land be leased in favour of the Company for construction of an Explosive Magazine subject to the recovery of rent of Rs.0-50 nps. per month per guntas or part thereof for a period of 5 years in the first instance.

2. In the circumstances reported by the Chief Conservator of Forests, Government direct that an area measuring 2 guntas of land out of P.S.No.1 of Virnoli Range be leased out to Sri Ram Mining Co., for construction of an Explosive Magazine for a period of five years subject to the recovery of rent at Rs.0-50 nps. per month per ganta or part thereof.

3. Chief Conservator of Forests is requested to take further action accordingly in the matter.

By Order and in the name of the
Governor of Mysore,

(S.V.Prabhu)

Under Secretary to Government,
Agriculture & Forest Department.

to Government,
Agriculture and Forest Department,
Bangalore.

Sub: Request of Sri Ram Mining Company for grant
of 2 guntas from F.S.No.31 of Virkhol village
for construction of explosive magazine.

Ref: AFD 20 FGN 61 dated 17-11-1961.

I enclose a letter No. MMS/3882(61)/61-62
dated 30-12-61 from the Conservator of Forests, Belgaum
for kind perusal. In the circumstances reported therein
I request you to issue a corrigendum notification in
respect of F. S.No. 31 of Virkhol village instead of
F.S.No.31 of Virnoli village.

Yours faithfully,

No. MMS/3882 (61)/60-61.

Belgaum, 24 21
30 December, 61.

To

The Chief Conservator of Forests
in Mysore, Bangalore.

Sir,

Subject:-Request of Shree Ram Mining Company for
grant of 2 gunthas from F.S.No.31 of
Virkhol village for construction of
explosive magazine.

Ref:-Your No.B3-513-2083/60 dated 7-12-1961.

Government have in their order No.AFD 20 FGN 61 dated
17-11-1961 sanctioned the lease of 2 gunthas of forest land
out of F.S.No.1 of Virnoli Range to Shri.Ram Mining Co. for
construction of an Explosive Magazine for a period of five
years on recovery of rent at Re.0.50 nP per month per guntha
or part thereof.

2. In this respect, I have to state that an area of two
gunthas now sanctioned was applied for by the party from
F.S.No.31 of Virkhol village, Supa Taluka and not from
F.S.No.1 of Virnoli Range. The S.No. and the name of the
village appearing in the second line of this office even
No. dated 27-1-1961 is a typographical error and it should
have been "F.S.No.31 of Virkhol village" instead of "F.S.No.31
of Virnoli village". I therefore request you kindly to move

(P.T.O)

Government to issue necessary corrigendum to the above
H.O. as early as possible.

Yours faithfully,

D. Nanjundappa
(D. Nanjundappa) 30/12
Conservator of Forests,
Belgaum Circle.
